Recital Pictures

We will be taking pictures in studio during class time. During your picture week, you will come to class in costume, hair and make-up and spend the hour taking pictures, practicing in costume and performing for other classes.

Parents won't be allowed in studio during pictures, but can stay in the waiting room.

The picture schedule is as follows:

Studio C - April 12-15, 2010

Studio A - April 19-23, 2010

Studio B - April 26-29, 2010

If you are a Monday or Tuesday student who has more than one class in a day, we will work with you about costume changes before or after your class.
